(3) _____

Let's find a bible passage about why it is good to read the bible.

The passage is; **2 Timothy chapter 3, verse 16**

Turn to the contents page in the front of your bible and look for the book of 2 Timothy. Now find the page number of that book and look it up.

Next, find chapter 3. The chapter numbers are the large numbers at the start of each paragraph of writing. Find chapter 3.

Now, look in chapter 3 for the verse you need. The verses each have a small number at the start of them, find number 16.

Write out what 2 Timothy 3:16 says below;

God's character. People have different characters.

Write down the name of someone you know who is very kind _____.

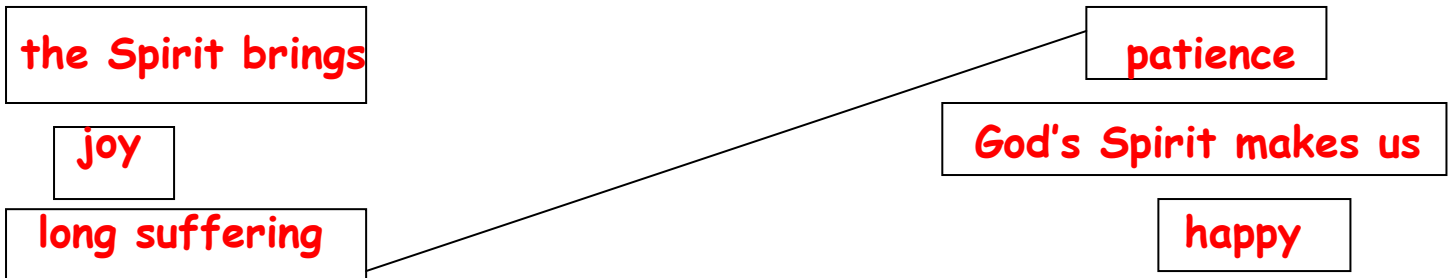

Write down someone who is always happy and joyful _____.

Let's find out what God's character is like by looking up Galatians 5:22-23 in your bible. Fill in the spaces below the 9 words that describe God's character which is the same as the fruit of the Spirit. They are all very good. The first two have been done for you.

God's Spirit makes us loving, joyful/happy, _____, _____, _____, _____, _____ and _____.

Depending on which version of the bible you are using the words are slightly different. E.g. some bibles say joy or joyful and others say happy. These words mean similar things. **Below are 3 pairs of words. Match the words which have similar meanings using a line. One has been done.**

The 9 words we will use in this course to describe the 9 fruit of the Spirit are shown below. Each will be represented by a different fruit.

Write the part of God's character represented by each fruit.
